Date: 15 March 2026

Team ID: XXXXXX

Project Name: Human Development Index (HDI) Prediction using Machine Learning

Communication Plan

Effective communication plays an important role in the successful development of the **Human Development Index (HDI) Prediction System**. Regular meetings and discussions helped the team coordinate tasks, monitor project progress, resolve technical issues, and collect feedback from the project guide and stakeholders. Communication was maintained through online meetings, messaging platforms, and project management tools to ensure smooth collaboration throughout the project lifecycle.

Communication Schedule

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Team Standup Meeting	Daily	Google Meet / WhatsApp	Project Team	Discuss daily tasks and progress.
2	Progress Update	Weekly	Google Meet / Microsoft Teams	Team Members & Project Guide	Review completed work and plan next activities.
3	Issue / Bug Discussion	As Needed	WhatsApp / GitHub	Development Team	Resolve coding issues, bugs, and technical problems.
4	Stakeholder Review	Bi-Weekly	Google Meet	Guide & Team Members	Collect feedback and improve project quality.
5	Final Demo Rehearsal	Once	Offline / Google Meet	Entire Team	Practice the final project demonstration.

6	Documentation Review	Weekly	Google Docs / Microsoft Word	Team Members	Review and update project documentation.

Communication Challenges & Resolutions

S.No	Challenge Faced	Resolution / Action Taken
1	Delay in sharing project updates among team members.	Conducted daily stand-up meetings and shared progress through WhatsApp.
2	Difficulty in resolving machine learning model errors.	Held technical discussions with the project guide and team members to identify and fix issues.
3	Conflicts in task allocation and deadlines.	Prepared a weekly task schedule and assigned clear responsibilities to each team member.

Communication Summary

The project team maintained effective communication through regular meetings, online collaboration tools, and continuous progress reviews. This approach improved coordination, reduced misunderstandings, enabled faster issue resolution, and ensured that the **Human Development Index (HDI) Prediction System** was completed successfully within the planned schedule.
